Property highlights

Award-winning

Consistently accoladed and hailed in international publications like Forbes and National Geographic, Savasi Island Resort has an enviable reputation for exclusivity, privacy and natural beauty.

Unique accommodation

Serenity is a 140 ft vessel and iconic part of Fijian history, considered one of the finest ships built by local boatbuilders in the 1980's. Now permanently moored ashore Savasi's marina, it provides a unique accommodation option for the more adventurous traveller.

Oceanfront villas

Nestled amongst dense tropical gardens and ancient volcanic rock formations the one and two bedroom villas provide private yet flexible configurations for couples through to multi-generational groups.

Breathtaking topography

Embark on a journey through an extraordinary and ancient terrain. With turquoise waters, untouched sandy beaches and sculptural limestone outcrops - Savasi Island is a natural wonder, just waiting to be explored.

Distinctive dining

Indulge in once-in-a-lifetime dining experiences from overwater decks to seaside grottos created from volcanic activity hundreds of years ago. At Savasi, we believe that every meal should be an experience to remember.

Endless sea views

All accommodation as well as the central waterfront restaurant and bar enjoy uninterrupted crystal ocean aspects to the Koro Sea and a healthy surrounding coral reef.
